the united states in the vietnam war 1954 1975 is an invaluable reference guide to the costly and controversial war the u s waged in vietnam over the course of five presidential administrations focusing not only on the conflict in southeast asia but also on the tumult the war inspired on the domestic front louis peake provides an authoritative guide to the wide range of media available on the u s involvement in vietnam from collections of art work and poetry about the soldiering experience to journalistic accounts of battles and military training films the entries consistently provide clear and concise descriptions allowing the reader to easily identify the value of any particular resource with revised and updated annotations and over 150 new entries this second edition of the united states in the vietnam war 1954 1975 is an invaluable reference tool for researchers and students of the vietnam war routledge research guides to american military studies provide concise annotated bibliographies to the major areas and events in american military history with the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency comprehensive concise and current routledge research guides to american military studies are an essential research

tool for any historian

this book explores the memorializing practices of american veterans of the vietnam war at several of the most significant contemporary sites of memory in the united states and vietnam these sites include veterans memoirs museum exhibits replicas of the national vietnam veterans memorial and tourism to vietnam because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery i emphasize how contemporary narratives of the war shaped more by memory than by history often are detached from the specific history of the war and its political controversies drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the u s and vietnam the author examines how veterans memorializing practices have become increasingly individualized commodified and conservative since the early 1980s

prominent american historian robert d schulzinger sheds light on how deeply etched memories of the devastating conflict in vietnam have altered america s political social and cultural landscape schulzinger examines the impact of the war from many angles he ranges from the heated controversy over soldiers who were missing in action to the influx of over a million vietnam refugees into the us to the many ways the war has continued to be fought in books and films and perhaps most important the power of the vietnam war as a metaphor influencing foreign policy in places like iraq

asian american women brings together landmark scholarship about asian american women that has appeared in *frontiers* a journal of women studies over the last twenty five years the essays written by established and emerging scholars made a significant impact in the fields of asian american studies ethnic studies women s studies american studies history and pedagogy the scholarship is still relevant today broadening our critical understanding of asian american women s resistance to the forces of racism patriarchy militarism cultural imperialism neocolonialism and narrow forms of nationalism the essays in this collection reveal the experiences and struggles of asian american women within a global political economic cultural and historical context the essays focus on diverse issues including unconventional asian american women of the early 1900s the life of a japanese war bride possibilities for transnational asian american feminism the politics of vietnamese american beauty pageants mixed race identities and bisexual identities filipina healthcare providers south asian american representations and a multiracial exchange on pedagogical interventions the collection represents the rich diversity of asian american women s lives in hope of creating a new transnational space of critical dialogue strategic resistance and alliance building

a concise look at how military justice during the vietnam war served the dual purpose of punishing u s soldiers crimes and infractions while also serving the important role of promoting core american values democracy and rule of law to the vietnamese

the first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts america

this text explains that government and media first shared a vision of american involvement in vietnam but as the war dragged on government press releases were challenged by reports from the field

this book contains the personal accounts of 20 vietnamese refugees describing their experiences before during and after their flight from viet nam all the refugees have been resettled in australia most of the contributions focus on the causes of the exodus but there is also information on traditional life in viet nam as well as descriptions of the refugees experiences during the exodus in the refugee camps and after their resettlement in australia

the first english language translation of the definitive chronicle of the vietnamese military s view of the vietnam war published for the first time in the united states

political correctness idealizing the oppressed and an affinity for authoritarian and charismatic leaders are all parts of what ellis calls the dark side of the left

unfolding the calley case step by step belknap shows how our system of military justice actually works his dramatic reenactment takes readers through every stage of the trial from pre trial investigations to actual courtroom exchanges among prosecutors defenders witnesses and judges in the process he reveals how a court martial conducted within the public eye transformed a purely legal proceeding into a political debate about the conduct of the war calley

in this first in depth history of the arvn from 1955 to 1975 robert brigham takes readers into the barracks and training centers of the arvn to plumb the hearts and souls of these forgotten soldiers through his command of vietnamese language sources diaries memoirs letters oral interviews and more he explores the lives of ordinary men focusing on troop morale and motivation within the context of traditional vietnamese society and a regime that made impossible demands upon its soldiers
